

**MECHANICAL
CONTRACTORS**
SINCE 1985

LINE CARD

HVAC-R SERVICE

Heating/Cooling Service
Preventative Maintenance
Computer/Server Specialization
Ductless Mini-Split Systems
Ice Machines, Coolers, Freezers
Make-up Air Equipment
Air & Water Balancing
Refrigeration
Cooling Towers
Boilers
Exhaust Fans
24 Hour Emergency Service

TEMPERATURE CONTROLS

Comprehensive Environmental
Temperature Control Systems

Complete System Installation,
Service, Maintenance, & Upgrades

Unified Incorporation of Various
Brands of HVAC Equipment,
Boilers, & Chillers

PLUMBING/PIPING

Design/Build Applications
All Domestic Plumbing Systems
Natural Gas Systems
Boilers (Low Pressure)
Compressed Air Systems
Steam & Condensate Systems
Hydronic & Chilled Water Systems
Breweries
Clean Room Applications
Backflow Preventor Testing

SHEET METAL

Design/Build Applications
HVAC Engineering & Existing
System Modifications
Duct Fabrication & Installation
PVC Underground Duct
Dust & Waste Systems
Specialty Duct Fabrication
Stainless Steel; Aluminum; Mild
Building Pressurization Systems
Rectangular, Spiral, & Oval Duct
